**RE: Shots Fired**

On December 7, at approximately 2051 hours, the Southern Worcester County Communications Center received calls reporting gun shots heard in the area of 10 Whitcomb Street. Webster Police responded and, after a subsequent investigation, it was discovered two rounds were fired, striking the building at 10 Whitcomb Street. As a result, there were no injuries, and the damage incurred was minor. Webster Police Detectives recovered some evidence with the assistance of the Massachusetts State Police Ballistics Section. Initial reports indicate police are looking for two black males, believed to be armed with a handgun (unknown caliber/make/model) that fled the scene in an early 2000s grey Acura sedan. That vehicle was last seen heading south on Whitcomb Street. After conducting a preliminary investigation, which included several interviews, Webster Police do not believe this was a random act and are working with other law enforcement agencies in furtherance of the investigation. Anyone with any information is asked to contact Detective Steven Cacciapouti at 508-943-1212. Anonymous tips may be made through 508-949-3874 or through the website, [www.websterpolice.com](http://www.websterpolice.com).
